Dear Sir or Madam

**NOTIFICATION OF ESSENTIAL MAINTENANCE WORKS
M69 Northbound junction 1 to junction 2**

I'm writing to let you know that we'll be carrying out essential maintenance works on the M69 Northbound junction 1 to junction 2

These works will take place between **8pm** and **6am, Monday 23rd September** to **Saturday 28th September**, with the road being open from 6am on Saturday 28th September.

We will be continuing our work on the M69 Southbound - M1 Junction 21 to M69 Junction 1 from week commencing **30th September**. These works will take place between **8pm** and **6am, Monday to Thursday**.

Please note that all planned works may be subject to change due to weather conditions or unforeseen circumstances.

How will the work affect traffic?

To keep our programme for these works as short as possible and to minimise disruption to the local community, residents, businesses and road users, we'll be working under a full southbound carriageway closure including slip roads.

During these closures fully signed diversion routes will be in place, which have been agreed with the local authority.

How will the work affect businesses and residents?

We'll make sure that access to businesses and residences is maintained wherever possible.

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.
